

4PB's Summer Season Finale – Private Children Law Seminar: ISW's

17th July 2024

Thank you to our fabulous clients for joining our summer season finale – Private Children Law seminar.

With not a spare seat in the house, the evening was completed with a full roof top terrace, complimented by Rosé and Canapés and a brief visit from flying ants!

The second in our repeat series, was chaired by the inimitable Charles Hale KC, and delivered by yet another standout line up.

In Part 1, Piers Pressdee KC and Mani Singh Basi provided insightful tips on instructing ISW's and challenging the reports.

 Part 2, compèred by Ruth Kirby KC, went further with probing questions to leading ISW's: Helena Ware, Carol Edwards and Patrick Mamattah.
